

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

**QUESTION 1** Port City, this is Nagoya Maru. I will anchor in the position you have indicated. At what time shall I come into anchorage?

1. You may try to anchor three times.
2. You may anchor from 1500 hours local time.
3. You may come into the port at 1200 hours local time.
4. You should come into the allocated anchorage position slowly.

**QUESTION 2** Osaka Maru, this is Sendai Maru. Vessel on opposite course is about to pass my port side. Don't overtake me on the same side.

1. I will enter the port.
2. I will pass you port to port.
3. I will overtake on your port side.
4. I will overtake on your starboard side.

**QUESTION 3** Yokohama Coast Guard Radio, this is Kawasaki Maru. I have a badly injured crew member. I need a helicopter immediately to pick him up.

1. No. We cannot see your injured crew member.
2. I have received your message but you should ask your company for a helicopter.
3. Understood. I will arrange a helicopter. It will come to you in about 20 minutes.
4. I understand. I will arrange search and rescue, and send a patrol vessel at once.

**QUESTION 4** Yokohama Maru, this is Port Control. ADVICE. Show one black ball while you are at anchor for safety.

1. I understand. We will go to the ball.
2. Understood. We will raise it as soon as possible.
3. I understand your advice, but we are not overtaking the black ship.
4. Understood. We will leave the anchorage in accordance with your safety procedures.

**QUESTION 5** Honshu Maru, this is Port Control. A large fishing boat is approaching on your port side. ADVICE. Warn the boat with your whistle to prevent a collision.

1. I understand. I will try to alert the boat to my approach.
2. Thank you for your assistance. We have reached a good fishing zone.
3. Thank you for your notification. We will keep on going as we have priority.
4. Thank you for your advice. We will be careful when we pass through the fishing area.
