

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

- QUESTION 1** Nagoya Maru, this is the harbor master. You need to leave port on time. Are you ready to get underway?
1. I am reducing speed now.
 2. We will weigh anchor soon.
 3. We will cast anchor at the anchorage.
 4. I need navigational assistance to enter port.
- QUESTION 2** According to your report, you are entering port in Fiji. What do you intend to do there?
1. We concluded fishing operations two days ago.
 2. We are entering port ahead of schedule.
 3. We are going to take on supplies of fuel, water and green vegetables.
 4. We should work in shifts day and night when we arrive there.
- QUESTION 3** Tokyo Maru, this is the Rescue Coordination Center. We have received information concerning a drifting fishing boat. Can you inform us if you find something?
1. We will transmit a distress message as soon as possible.
 2. We will check whether the lifeboats are available.
 3. We want you to send us a tug at once.
 4. We will tell you immediately if we see anything.
- QUESTION 4** Harbor master, this is the captain of the fishing boat, Wakashio Maru. We want to anchor in a safe berth to avoid the typhoon. How congested is your port at present?
1. There is enough space for you to berth.
 2. My port had only ten vessels yesterday.
 3. My port was slightly damaged by the typhoon.
 4. Tankers of 10,000 gross tonnage and upwards can't berth here.
- QUESTION 5** Nagasaki Maru, this is the Japan Coast Guard. We have received your message that you collided with an object, possibly a whale. What is the condition of your ship now?
1. We have problems with the radar system.
 2. The visibility here is improving.
 3. We are navigating carefully through rough seas.
 4. We have suffered severe damage to the stern and propeller. We are drifting now.
