

## 第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

**QUESTION 1**          Coast Guard Radio, this is Kushiro Maru. We are stuck in thick ice. We request ice-breaking assistance.

1. I understand. We will send fire-fighting vessels.
2. I understand. We will send two tugs immediately.
3. Understood. You are sailing in an ice-free area now.
4. Understood. We will ask an ice-breaker to go to you immediately.

**QUESTION 2**          Miyagi Maru, this is the Coast Guard vessel. You have told me you are aground. Tell me your present situation.

1. I am approaching the next port of call on schedule.
2. I am navigating carefully so as not to run aground.
3. I have slight damage on my port side. I am expecting to refloat at high water.
4. I am in danger of running aground in dense fog off the breakwater. Give me some advice.

**QUESTION 3**          Yokohama Maru, this is the rescue helicopter. I will start picking up the injured crew member immediately. Can I land on deck right now?

1. Yes, you can. We are ready to receive you.
2. No, I cannot land on deck due to the strong wind.
3. Yes, the injured crew member has already been picked up.
4. Yes, you can take off safely from the ship because the weather is clear now.

**QUESTION 4**          Sendai Maru, this is the fish inspection vessel. Tell us the date you started fishing and how long you will be fishing in these waters.

1. We are fishing for tuna and swordfish.
2. We started fishing yesterday and will work here for 30 days in total.
3. Our catch is not large enough yet but you can inspect our fish-hold.
4. We have the fishing permit and have already informed your authority of our activity.

**QUESTION 5**          Tokyo Maru, this is the headquarters of ABC Company. We have been informed the country you last visited is suffering from cholera. You must go to the quarantine anchorage at the next port of call.

1. Thank you very much for your medical support. All of our crew have recovered now.
2. I understand. It is convenient for us that the next port has radio quarantine capabilities.
3. Understood. I will go to the quarantine anchorage when we arrive at the next port of call.
4. It is a difficult situation. We will study the disease with the doctors at the next port of call.
