

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

- QUESTION 1** Port City, this is Kawasaki Maru. My ship has a draught of five meters. Is there a sufficient depth of water for me to proceed to the berth?
1. Yes, the depth of water is good for fishing.
 2. Yes, the bridge is high enough for you to proceed.
 3. No, the depth of water is not sufficient for diving.
 4. Yes, the water is deep enough for you. You can proceed.
- QUESTION 2** Harbor master, this is Miura Maru. I want to enter your port to avoid the typhoon. How congested is your port now?
1. My port was crowded yesterday.
 2. I had seven empty berths yesterday.
 3. There is enough space for you to berth.
 4. My port has recovered from the typhoon damage.
- QUESTION 3** Misaki Maru, this is a fishery inspector. I will inspect your vessel to examine the size of your catch. What tonnage have you caught so far?
1. I caught three tons in total yesterday.
 2. I have caught a total of thirty-four tons.
 3. My average daily catch is about two tons.
 4. Thank you. Your inspection was very quick.
- QUESTION 4** Headquarters, this is Kanto Maru. We have a new next port of call. I want to confirm it has an LNG bunkering station.
1. We confirmed you had finished bunkering yesterday.
 2. We have confirmed they offer bunkering boats for the fuel.
 3. I understand you have no bunkering scheduled for tomorrow.
 4. I understand you will finish bunkering by noon and then prepare for departure.
- QUESTION 5** Harumi Maru, this is the Coast Guard Radio. You have informed us that you have run aground and your ship is listing dangerously. Do you intend to abandon your vessel?
1. Yes. I am waiting for the pilot.
 2. Yes, I cannot proceed owing to low bunker.
 3. Yes. The results of the search are negative.
 4. Yes. All crew members are leaving on two lifeboats.
