

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

- QUESTION 1** Calling from the bridge. I am checking the new portable UHF radiotelephone. How do you read me at the stern?
1. I hear you loud and clear.
 2. I cannot see you on the bridge.
 3. I will go to the stern in about 10 minutes.
 4. Your writing is very difficult to read. I need more time.
- QUESTION 2** Nagoya Maru, this is the fishery inspection vessel. We want to check your fish hold now.
1. Understood. I will leave this area soon.
 2. Understood. Go ahead. We hope the inspection will not take long.
 3. I understand. We will continue to fish until the end of this month.
 4. I understand. Our ship needs repairs to the radar to pass your inspection.
- QUESTION 3** Headquarters, this is the captain speaking. We are proceeding to the next port of call. Has radio quarantine been introduced there yet?
1. Yes, the quarantine anchorage is easy to find.
 2. No, not yet. You must go to the quarantine anchorage.
 3. No, you do not need to worry about your radio installation.
 4. If you have sick crew members, you should ask for a helicopter.
- QUESTION 4** This is the headquarters of ABC Company. You have reported that you ran aground near the harbor. What is the status of your vessel now?
1. It seems all right. I can float during the next high tide.
 2. No problem. We have enough food to last until the last port of call.
 3. No problem. The fire is getting smaller. A fire-fighting boat will arrive soon.
 4. It is serious. A large tanker hit us at the stern. The screw has been damaged.
- QUESTION 5** Tokai Maru, this is Port City. Ships of your size need two tugs to enter this port according to the rules. Have you already arranged for them?
1. Yes, we have already arranged two pilots to enter this port.
 2. Yes, we are ready for the inspection by the port state control.
 3. No problem. Our agent has arranged for two tugs to meet us.
 4. No problem. We know this port very well and have sufficient under keel clearance.
