

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

QUESTION 1 Tokai Maru, this is the fish inspection vessel. Can I board and see your fish hold now?

1. Yes. We need more ice for the fish hold.
2. We will inspect our vessel at the next port of call.
3. No problem. I hope you will be able to finish soon.
4. Yes, we are inspecting the quality of the water in this area.

QUESTION 2 Hello, this is the captain on the bridge. I am testing a new UHF portable transceiver. How do you read me?

1. I read you loud and clear.
2. Your handwriting is very difficult to read.
3. I should buy a new UHF portable transceiver, too.
4. I know you are reading the specifications of the UHF equipment.

QUESTION 3 Harumi Maru, this is Port City. Your scheduled departure time is approaching. At what time can you finish bunkering?

1. My bunkering starts at 4 p.m.
2. I will finish loading cargo in about an hour.
3. I will complete it using internet banking before my departure.
4. It is uncertain as the arrival of the bunker barge has been delayed.

QUESTION 4 Misaki Maru, this is Coast Guard Radio. You informed us that you had run aground near the canal. What is your current status?

1. We are navigating carefully so as not to enter shallow areas.
2. We were able to avoid running aground thanks to the pilot.
3. I have to wait because many ships are entering the canal one by one.
4. We do not see any damage to our ship. The ship will refloat at the next high tide.

QUESTION 5 Port City, this is Tokyo Maru. We have arranged the pilot service through our agent. I want to confirm the position where I can meet the pilot.

1. Lower the pilot ladder on your port side.
2. All right. We will inform your agent of your arrival.
3. You can meet the pilot half a mile south of the lighthouse.
4. I hope a single tug will be sufficient to tow you to the number three buoy.
